Dear Tim,

And Jim. And Sister Mary. And Jone. And all the rest of the great folks that are part of Caesar's Ford Theatre Company -

We are delighted to present Caesar's Ford Theatre Co. with this check for \$10,000 from the proceeds from the 2017 Dayton Book Fair.

It has been such a pleasure to work alongside you all this past year, and we greatly appreciate all that you did not just to help make our roundups and Book Fair such a great success, but also the work you did at the very core of our enterprise—collecting, sorting and pricing books.

With all of the beneficiaries that come after you, Caesar's Ford Theatre shall be the measure of how well the partnership worked. We are pleased to help you with this financial gift, we are indebted to you for your time and efforts you put forward on our behalf.

We hope that you can find a place for Jane Austen somewhere to help remind you of this special year, and we know that you will find something transformative to do with the funds.

Wishing you all the best, and with our kindest regards.
